Dear Adriano Veloso,

We are writing to invite you to serve as a Program Committee (PC) Member for the Thirty-Sixth AAAI Conference on Artificial Intelligence (AAAI-22). PC Members (called "Reviewers" in CMT) will provide a vital role in the review process, so we have given a lot of thought to identifying members of our community who have established a reputation for both technical depth and reliability. We very much hope that you'll be able to help us by taking part in the AAAI-22 review process! More details on what we expect from PC Members can be found below.

Click the link below to accept.

Please reply to this invitation before it expires on 8/24/2021.

AAAI-22 will use a two-phase reviewing process similar to last year, including the option to submit qualifying rejected NeurIPS-21 submissions directly into the second phase. For more details, please see the Call for Papers: <https://aaai.org/Conferences/AAAI-22/aaai22call/>

A PC Member's primary responsibility is to provide high-quality reviews of assigned papers and participate in the discussion phase. We expect (but cannot guarantee) that each PC member will review at most 6 papers in total.

Specific PC Member responsibilities with expected time frame are as follows:

1. [August] Register your user information and personal conflicts in CMT. An email with instructions will follow.
2. [Sep 1-3] Bid on papers you would like to review.
3. [Sep 16-30] Review the papers assigned to you in Phase 1.
4. [Oct 2-5] Bid on NeurIPS fast track submissions.
5. [Oct 9-30] Review the papers assigned to you in Phase 2.
6. [Nov 6-13] Participate in the discussion phase, taking into account the author feedback and other reviews.

Again, we very much hope that we'll be able to have your help in organizing AAAI-22. Please contact [aaai22workflowchairs@aaai.org](mailto:aaai22workflowchairs@aaai.org) if you have any further questions about this invitation.

Thanks,

Vasant Honavar, Pennsylvania State University  
Matthijs Spaan, Delft University of Technology  
Program Co-Chairs, AAAI 2022

Jennifer Dy, Northeastern University  
Timothy Hospedales, University of Edinburgh  
Nihar Shah, Carnegie Mellon University  
Vivek Srikumar, University of Utah  
Associate Program Co-Chairs, AAAI 2022
