Dear Adriano Veloso,

the assignment of papers to Program Committee members is now visible. To see it, log on <http://ijcai2018.confmaster.net/> and in the "Program Committee" menu, select "Assigned Papers".

The first thing you should do is to have a look at your assigned papers, to make sure that there is no problem (such as a conflict of interest that you forgot to report at bidding stage, or a paper for which you feel incompetent). In such a case, please write to me as soon as possible: the longer we wait, the more difficult it is to reassign a paper.

Most of you have between 5 and 7 assigned papers. However, some of you have very few papers, and in a number of cases, even zero paper; if this is the case, you will receive a specific email in a few days (do not wrongly believe that you won't have anything to do...).

Instructions about reviewing and details about the rest of the process will be sent in one or two days.

Thank you very much,

Jérôme Lang, IJCAI-ECAI 2018 program chair
