Dear Adriano Veloso,

Wei Wang and I are the PC chairs for the 2017 SIAM Data Mining Conference to be held in Houston, TX from April 27 to 29, 2017.

We would like to invite you to join the program committee for SDM 2017. As you are aware, SDM is one of the top conferences in data mining and receives over 500 submissions each year. It's your expertise in reviewing that allows us to put together a great program each year.

The information below will tell you how to respond to this invitation (and we hope you accept!)

1. Click the link below to "Accept" the invitation.
