Dear Adriano Veloso,

The SIAM Data Mining Conference 2018 (SDM 2018) will be held in San Diego, CA, USA, from May 3 to 5, 2018. For further information, please see the conference website at <http://www.siam.org/meetings/sdm18/>.

Given your expertise in this area, we would like to invite you to join the Program Committee (PC) of SDM 2018, to help us shape the scientific program of the conference. Serving on the PC is an important role with a direct impact on the review process and the selection of papers. We expect to benefit from your experience in order to ensure the highest quality of papers accepted for publication at SDM. Each PC member will be asked to review approximately 8 papers.

The roles of a PC member and the timeline are as follows:

- Paper bidding (Oct 6 – Oct 13): place bids on submitted papers.
- Reviewing (Oct 13 – Nov 17): review assigned papers.
- Discussion (Nov 17 – Dec 1): discussion among the reviewers to reach consensus on each paper's evaluation, facilitated by the senior PC member associated with each paper.

Note that:

the abstract submission deadline is October 6

the paper submission deadline is October 13, and

the notification deadline is December 19.

Please let us know if you are able to accept our invitation.

The invitation expires on 9/20/2017.

Please, email sdm2018pcchairs@gmail.com if you have any further questions.

We look forward to working with you on an exciting SDM 2018 program.

Best regards,

Martin Ester and Dino Pedreschi
