Dear Adriano Veloso,

We are writing to you as Program Committee Co-Chairs of the 2022 SIAM International Conference on Data Mining (SDM'22), to be held in Alexandria, Virginia, on April 28 to April 30, 2022.

We would like to invite you to serve as a member of the Program Committee (PC).

The paper submission deadline for SDM'22 is October 12, 2021 (no separate abstract deadline) and the acceptance notifications will be sent out by December 20, 2021.

The primary roles of a PC member are:

- Paper bidding (Oct 13 - Oct 20): Place bids on papers; each PC member will be responsible for the review of approximately 5-6 papers.
- Reviewing (Oct 20 - Nov 27): Your technical reviews should be entered by November 27.
- Discussion (Nov 28 - Dec 9): Participate in the discussion among the reviewers.

We really hope that you would be willing to accept this invitation, and that you can commit yourself to the tasks and schedule above. We know that being a PC member involves a large amount of work but we hope that it would be a rewarding duty as a whole. Your experience and help would greatly benefit the data mining community.

We are looking forward to working with you to make the scientific program of SDM'22 successful.
