Dear Adriano,

We would like to invite you to join the Program Committee of the 43rd International ACM SIGIR Conference on Research and Development in Information Retrieval (SIGIR 2020) to be held in Xi'an, China, on July 25-30, 2020 (<https://sigir.org/sigir2020/>).

Your role as a PC member will consist of bidding on the submissions, reviewing 6 - 8 assigned papers, participating in the group discussion led by a senior PC member, and contributing to a fair consensus recommendation on the acceptance or rejection of each submission. We have enlarged the PC in order to reduce the number of papers to review.

Additional details on the review process will be shared at a later time.

Here is the reviewing timeline:

Full papers COI declaration and bidding: Jan 16, 2020  
Full papers review start: Jan 24, 2020  
Full papers reviews due: Mar 1, 2020  
Full papers discussion: Mar 2-15, 2020  
Meta-reviews and recommendations due: Mar 29, 2020

We very much hope that you will accept our invitation and help make SIGIR 2020 a success. Please do not hesitate to get back to us if you have any additional questions.

Jaap Kamps, Vanessa Murdock, Ji-Rong Wen (PC Chairs)
