This letter of invitation to the program committee of WSDM 2021 was sent to
you by EasyChair user Evgeniy Gabrilovich <egabrilovich@gmail.com>. To accept or decline
this invitation and/or answer the letter please access https://easychair.org/conferences/pcinvite_view.cgi?

   Dear Adriano,

In view of your strong technical expertise in topics relevant to the WSDM conference, we would like to invite you to
join the Program Committee of WSDM 2021, to be held in Jerusalem, Israel, in March 2021: http://www.wsdm-
conference.org/2021/ .

Your role as a PC member would consist of reviewing up to 8 papers, writing reviews that provide constructive
feedback to the authors, and participating in the discussions led by the SPC. The reviewing process and the
discussions will be conducted using EasyChair.

To improve review quality and reduce conflicts of interest, reviewing will be double-blind to the PC, but will be single
blind to the SPC (i.e., author information will be visible to the SPC in Easychair, while no author names will be on the
submissions). We expect SPCs to take the lead on checking for conflicts of interest (COIs) on papers assigned to
them. However, if you have a reason to suspect you have a conflict with an assignment paper, you should
immediately notify the PC Chairs. For more information about the COI policy, please refer to the CFP
(https://easychair.org/cfp/WSDM2021).

Please take a close look at the dates below to confirm that you will be able to perform these tasks in a timely manner,
with asterisks (*) indicating key tasks for the PC:

Submission Deadline: August 16
* Paper bidding: August 18 - 21
* Paper reviewing: August 24 - September 13
* Discussions: September 14 - 29
Paper notifications to authors: October 16
Conference: March 2021

We sincerely hope that you will be able to accept our invitation and continue contributing to the WSDM community.
Please kindly let us know your decision via EasyChair by June 15th.
